

## N60055 :: CHALLENGER 604

The Bombardier Challenger 604 has established a proven track record for dependability, reliability and outstanding value, making it one of the most desired private jets in its class.

Offering the widest cabin of any true business jet available today, stand-up room of over six feet and a passive noise insulation system, it provides superior cabin comfort for its passengers.

Our luxurious Pininfarina inspired interior and upgraded entertainment system make every trip a memorable experience.

With a maximum cruise speed of Mach 0.82 (541 mph; 870 km/h) and an intercontinental range of over 4,000 nautical miles (7,408 km), the Bombardier Challenger 604 is well suited for any mission.
